# Teens & Parents Your Future...Your Choice

***A one-stop education, career and community resource fair***

**Wednesday, November 25, 2009**

**John F. Ross CVI**

***A one-stop opportunity*** ... grade 7 – 12 students and parents connect with businesses, educational institutions and community organizations

***A career fair*** ... 70+ business and education exhibitors showcase a wide variety of occupations representing apprenticeship, college, university and the workplace

***A learning fair*** ... a keynote speaker will stimulate parents and students to explore new ideas

***A community resource fair*** ... 30+ community organizations provide information and resources to support teens and their families

## **Teens, Parents & Educators**

- ***Connect*** with representatives from colleges, universities, private training schools and community agencies
- ***Hear*** directly from businesses about different careers and occupational pathways
- ***Ask*** specific questions and collect information in a comfortable setting
- ***Understand*** labour market trends, current career options, community and school board services
- ***Make*** better-informed decisions about course, education and career selections
- ***Inside*** the Teenage Brain with Dr. Jean Clinton —Keynote Speaker

***Excellent opportunity to explore options for the future!***
